## SoWell

## **Unlock Your Metabolic Health**

At SoWell, we are on a mission to help the 228 million Americans who suffer from the symptoms of metabolic dysfunction (like weight gain, fatigue, irregular periods and infertility), but are struggling to get a diagnosis.

We offer easy at-home testing that provides 90% of consumers with at least one underlying cause of their symptoms and a prescriptive roadmap of next-step solutions.

	Comproductional By completing your therapid Biology KC vector
0	Compatibulities of the completing your theight Boldog XX you've taken an important first pap towards before health. We are hernered to be on this yourney with you
Bryan,	Lefs ge through your results and help pea determine which metabolic conditions you are at risk for to you can work towards
your results are ready	Y. Insuranting your occural mediations headly.
